

President's Pondering—Bryan Meador

Hello Fellow Sledders,

April dryness brings dust? Dry eyes? Scratchy throats? Breaking record temperatures. Let's just hope for some moisture at this point. Believe it or not Accu weather is calling for snow in the mountains April first. This is not an April fools' joke, unless mother nature is playing along. If it does snow it won't last long, it's way to warm to stick around, it's going to melt faster than Frosty the snow man in July.

No snowmobiling does not mean nothing is going on within the club. We are waiting for the SCCORR grant to see if we receive funding for the Beaver Meadows Trail Head parking area. Waiting to see if the National Forest Foundation is going to help fund some of that same project. We will have a camp out/trail clean up at Echo Basin sometime this spring. If you don't want to camp out, just come drive the loop and help trim trees and pick up trash and enjoy the scenery and a few great people. We will also do a trail clean up in the fall.

I am going to sound like a broken record (Gen X joke) If you are out enjoying the beautiful San Juan Mountains this summer. Be mindful of the trash along side the road. Please stop and pick it up. We don't want our mountains looking like a dumping ground. We helped with the trash clean up at the dunes south of Farmington, I picked up more whiskey and beer bottles than everything else combined. As motorized outdoor recreationalist we can do better than this. Keep it clean.

Thanks to the team and people that keeps this club moving forward.

Thanks to Fun Center for all their support.

Thanks to the people of CSA for everything that they do.

See you all next season, Bryan
